Moscow, ID (February 21, 2010) – Vandal lacrosse opened its 2010 season with a victory over a spirited Whitman Missionaries squad in Walla Walla, WA. While six different Vandals found the back of the net, freshman attack Kyle Morse (Moscow, ID / Logos High School) led all scorers with 7 points (4g, 3a). Close behind were senior midfield Krieg Shaw (4g, 2a) and junior attack Eric Fletcher (4g, 1a).

Whitman kept the game close early, coming out with high energy and a physical game plan. Idaho led only 2-0 at the end of the first quarter. During the second frame, however, Idaho found its offensive stride and took a 9-1 lead into halftime.

Despite the deficit, the Missionaries remained undaunted and came out firing in the third quarter. Whitman would at one point score 3 unanswered points behind standout attack Bidnam Lee. Nevertheless, the Vandals regained control of the game behind outstanding play from its “legion of doom” defense.

Idaho would like to thank Whitman for being excellent hosts and wish the Missionaries good luck on the rest of their season. The Vandals continue their 2010 season next weekend, kicking off their divisional campaign on the road against Oregon State and Portland State.
